Since its foundation in 1966 by trombonist Leslie Lake, the Locke Brass Consort of London has been active in two spheres. As a quintet it has given many hundreds of educational concerts, and has also given recitals for music clubs throughout the country. In its larger format of a symphonic brass and percussion ensemble it has played a pioneering role in giving performances of larger-scale works. In addition to radio broadcasts it has made commercial recordings, all to great critical acclaim. It has also made appearances on BBC TV's "Songs of Praise".

The artists who make up the Locke Brass Consort are either members of London's top symphony and opera orchestras or leading freelance musicians, some being well known as soloists.

Richard Pearce was Organ Scholar at Trinity College, Cambridge, where as organist and conductor he toured and recorded extensively with the chapel choir, broadcasting for radio and television. Richard graduated in 1990 with first class honours in music. Since leaving university he spent two years as a postgraduate at the Guildhall School of Music and Drama.

Richard has performed throughout Britain including recitals at the Purcell Room and the Wigmore Hall, as well as broadcasting for BBC television and radio, S4C and Classic FM. He appeared in the final of the 1997 Cardiff Singer of the World Competition, re-released in 1999 as a CD with the BBC Music Magazine.

Richard works regularly with many choirs in London: he conducted the Whitehall Choir in their performance of *Israel in Egypt* in St. John's Smith Square in March, and in a programme of English and German music in St. James' Piccadilly in July. Richard works regularly with the BBC Singers, the Royal Choral Society and the Corydon Singers as well as the Waverley Singers.

Malcolm Hicks graduated in Music at the University of Birmingham where he was also Assistant Master of the Music at the Cathedral, and organist and Assistant Conductor with major choirs and orchestras. After further studies in piano, cello, singing and conducting at the Guildhall School of Music, he has since pursued a full-time career as a keyboard player and conductor. He plays with all the major London orchestras in South Bank concerts, Proms, many broadcasts for radio and TV, films, recordings and on tour abroad, many times in Europe, and as far afield as Japan, Korea, North and South America and the former USSR. He was Associate Conductor of the London Philharmonic Choir and Deputy Conductor of the Royal Choral Society for many years, and continues to work regularly with them as choirmaster and with other principal choirs in London, including the London Symphony Chorus, the BBC Symphony Chorus and the BBC Singers amongst others. He was appointed Musical Director of the Waverley Singers in May 1982.

THE P.E.T. APPEAL

FRIMLEY PARK HOSPITAL

Raising funds to expand the hospital's nuclear medicine capability to fight cancer including the purchase of a dual detector gamma camera scanner, with PET imaging

The P.E.T. Cancer Scanner Appeal at Frimley Park Hospital was launched in November 2000 - its goal to raise £600,000 by the early part of 2003. The Appeal will allow Frimley Park to update and expand its nuclear medicine imaging capabilities, offering cancer patients living in the South a stronger chance of fighting the disease.

P.E.T stands for Positron Emission Tomography, an advanced form of scanning which injects the patient with a glucose substance. This will give doctors the ability to find hidden cancers anywhere in the body. It will also help with the early diagnosis of degenerative brain disorders, such as Alzheimer's and Parkinson's Disease.

As at the end of October 2002, the Appeal had reached a tremendous £503,899. On behalf of Frimley Park Hospital, our thanks to all those who have supported the Appeal in the past, and indeed our thanks to the Waverley Singers and to everyone attending this evening's performance, for making a further contribution towards the Appeal - thank you!
